TERMS AND CONDITIONS OF ENROLMENT:

At least two families per session are required to attend **busy bees** held throughout the year. Busy bees are important to keep our entire Playgroup clean and tidy a part of our lease agreement. This helps us keep our annual membership fees low. Note - This does not include committee members who dedicate their own time voluntarily throughout the year for a whole raft of tasks to keep the Playgroup functional. Where you have committee members in your group, you are still required to provide at least two additional non-committee families. Families at the busy bee may be subbed for other family members willing to assist in the busy bee (i.e. subbed with a parent, grand parent, partner, sibling etc).

New members are welcome at any time during the year, according to the pro-rata fee structure.

Sessions have the option of capping (closing) their session at 12 families. If you would like your session capped at any time, and have at least 12 families, please email ycpgenrolments@hotmail.com.
